BOB WOODRUFF, HEAD COACH AND ATHLETIC DIRECTOR

BOB WOODRUFF

Athletic Director and Head Coach

Easy-mannered Bob Woodruff, native Georgian and graduate of the Bob Neyland School of Football, marches into his ninth season as guiding hand of the Fighting Gator football team.

Over the past eight seasons he has turned the one-time docile Gator into a formidable force which opponents know they must reckon with Saturday after Saturday each fall.

The rough-tough Southeastern Conference has found Florida often in the running for the championship and its members know they have a game on their hands when they now meet a team aptly known as "Fighting" Gators.

Last season's record of six wins, two defeats and a tie was the finest, percentage-wise, of any Florida team since 1929. Over the eight-year span of Woodruff years, Florida has won 42, lost 34 and tied four.

Early Days

Born in Athens, Georgia, on March 14, 1916, Coach Woodruff's family soon moved to Cuthbert in that state, where they lived until he was 16 years old. He played on Cuthbert High's first football team, and then on moving to Savannah played three years for Savannah High School.

Those close to Coach Woodruff know him as a person who makes no hasty decisions, thinking things through to a careful conclusion. His teams are well disciplined and his associates are deeply loyal, a trait reflected from the coach himself.

Following his graduation from the University of Tennessee in 1939, when he received an engineering degree, Woodruff joined the Vols staff as assistant coach, a position he held during the 1939 and 1940 seasons.

Entering the Army in 1941, Woodruff rose to the rank of Major before being discharged in 1946. During that period of service, he was an assistant coach in 1944 and 1945 at West Point, helping Coach Earl (Red) Blaik guide the Black Knights of the Hudson to national collegiate gridiron championships.

The following season he was line coach at Georgia Tech, before becoming head coach at Baylor University in the spring of 1947.

A Head Coach

Never before in his college playing or coaching career had Woodruff been associated with anything but a nationally ranked team. When he arrived at Baylor he was confronted with the task—and this on his first head coaching assignment—of lifting a floundering Bear squad up by its bootstraps into a position of prominence in a tough league, the Southwest Conference.

He might have spoken slowly, but he moved fast. The Bears started that first season by claiming four quick victories in a row, including a startling upset over Arkansas. A powerful Texas team broke the string, and Baylor went on to a respectable five-five season. The following season Baylor enjoyed a 6-3-2 record, including a Delta Bowl victory (20-7) over Wake Forest, and then Woodruff really brought the Bears into prominence when he guided them to eight wins and two losses.

At Florida where he became Head Coach and Director of Athletics in 1950, Woodruff found many of the problems which had existed at Baylor. The Gators were an ideal "Homecoming Opponent" for others in the Southeastern Conference. In three seasons the Gators won 17, lost 13 and were victors in the Gator Bowl, defeating Tulsa, 14-13. This was the first Bowl invitation ever received by a Florida team in nearly 50 years of football. The Gators had come of age.

Another high point in Woodruff's coaching days at Florida came in 1954 when the Gators had a record of five wins and two defeats against Southeastern Conference opponents. This gave them a tie for third place in the league, highest ranking achieved by the Gators since formation of the SEC in 1933. The '56 eleven won six, lost three and tied one, also good for a third place finish in the SEC; the '57 squad finished in a tie for third with six wins, two losses and a tie, overall.

Coach and Mrs. Woodruff (Margaret) have three sons, Scooty, 14, Mark, 5, and Joe, nearly two.

He later earned a Master of Arts degree from Peabody (1942). As a player with the Tennessee Vols (1925-6-7), the team won 22, lost 2 and tied 2. He was head coach at Johnson City for two years, then guided Lake City for eleven years, his teams winning 73, losing 30 and tying 7. He returned to the University of Tennessee as line coach under Coach John Barnhill in 1942, the year the Vols defeated Tulsa in the Sugar Bowl. After three years in the Navy, including service in the Pacific, Hooser became football line coach and head track coach at the University of Arkansas for the seasons of 1946-47-48-49. The Razorbacks were the Southwest Conference title winners and tied LSU in the Cotton Bowl that first season. In 1947 they defeated William and Mary in the Dixie Bowl. Since joining the Florida staff in 1950, Coach Hooser has produced consistently strong defensive lines. In helping guide the 1952 Gators to their victory in the Gator Bowl, Coach Hooser then had been a coach on four bowl teams. He is married to the former Gertrude Morgan of Richard City, Tennessee.

He served one year as coach at Batavia High before becoming head basketball and assistant football coach at Kentucky from 1927-30. His Wildcat basketball teams won 40 and lost 14. The next eight years found him as head basketball coach and football end coach at Miami (Ohio) University. He became head basketball and assistant football coach at Tennessee in 1938. Serving until 1947, his basketball Vols won 128 games and lost 42, while the football team went twice each to the Rose, Orange and Sugar Bowls. During that period the basketball team won SEC championship in 1941 and 1943, and were tournament finalists in 1939 and 1945. Again Mauer was basketball coach and assistant football coach, this time for West Point from 1947 until 1951 when he joined the Florida Gators. Coach and Mrs. Mauer (Grace) have two sons—Jack, 30, a graduate of West Point, is serving in the infantry, and Ronnie, 24, is a student at the University of Florida.

After junior college he enrolled at the University of Tennessee in 1929, graduating in 1933. He played tailback for the Vols during his undergraduate days. Robinson's first coaching experience came at Ducktown (Tenn.) High School for two years, before assuming the position of football coach at Central High in Knoxville, where he served from 1935 through 1941. He went into the Army in 1941, taking part in its physical reconditioning program. Following the war, he returned to Tennessee as assistant coach in 1946. Robinson became head offensive coach and assistant athletic director of the Vols in 1950, and then served as head coach in 1953 and 1954. TULANE

September 20—Gainesville—2:30 P.M. (EST)

Nickname: Green Wave, Greenies
Coach: Anton (Andy) Pilney (Notre Dame '36)
Sports Publicity: Larry Karl
Colors: Olive Green and Sky Blue
Enrollment: 4,700 fulltime, 7,000 including night school division
Location: New Orleans, La.

Tulane returns to the Gators' schedule in the midst of a rebuilding program that finds sophomores holding the answer to Tulane's success. While the Wave has 17 returning lettermen from '57, 29 members of last season's undefeated freshman eleven are the hope for sound football.

More experienced and the prospect of better depth makes the '58 outlook brighter. Veterans Richie Petitbon at QB, Claude (Boo) Mason, HB, Connie Andrews, FB, Pete Abadie, E, Don Lockwood, T, and John DiVietro and Jimmy Blount, Guards, head the returnees. Newcomers such as Percy Colon, Tom Mason and Phil Nugent head the soph backs while Pat McLean and Bill Brabham are a pair of soph ends that show promise.

The success of the '58 Wave depends a great deal on how fast the sophomores develop as top flight reserve material for the all-letterman starting eleven.

MISSISSIPPI STATE

September 27—Gainesville, Fla.—2:30 P.M. (EST)

Nickname: Maroons
Coach: Wade Walker (Oklahoma 1950)
Sports Publicity: Bob Hartley
Colors: Maroon and White
Enrollment: 4,600
Location: State College, Mississippi

Mississippi State, picked to finish high in the 1958 Southeastern Conference race, turned in an outstanding 6-2-1 record last year.

Coach Wade Walker, the SEC's Coach of the Year in 1957, declares, "We have better backfield speed than last year and a larger line."

The Maroons have 21 returning lettermen, including five holdover starters. All-SEC Quarterback Billy Stacy and Halfbacks Bubber Trammell and Gil Peterson return, along with End Charles Weatherly and Guard Jack Benson. Fullback Molly Halbert is the only backfield regular lost through graduation.

Either Jack Batte, a senior, or Bill Schoenrock, a junior, both lettermen, will replace Halbert in the Maroon backfield. Schoenrock is one of the SEC's top punters.

The probable starting line for the Maroons has Weatherly and P. L. Blake at end, Bobby Tribble and Ken Irby at tackle, Benson and J. E. Logan at guard, and Jim Poteete at center, all returning lettermen. Poteete is the only junior, the others are seniors.

UCLA

October 10—Los Angeles, Calif.—8:15 P.M. (PST)

Nickname: Bruins
Coach: George Dickerson (UCLA)
Sports Publicity: Vic Kelley
Colors: Navy Blue and Gold (uniform blue is sky blue)
Enrollment: 15,345
Location: Los Angeles, Calif.

Of the returnees, nine are 1957 starters although Right End Jim Steffen was moved to tailback in spring practice to become a top player at this vital spot.

On the debit side, however, it must be noted that eight of the senior lettermen, including seven possible starters this fall, are eligible for only five consecutive games by conference ruling. These include Center Dick Butler and Dennis Dressel, Left Tackle Jim Dawson, Quarterback Steve Gertsman, Right Tackle Bill Leeka, Tailback Don Long, Left End Dick Wallen and Left Guard Clint Whitfield. Wallen was consensus All-American in 1957 and Leeka All-Coast.

This could be one of UCLA's most colorful teams. It has more team speed and better running backs than in recent seasons. In addition, all the passing and receiving talent returns to action. Long completed 62.5 per cent of his tosses last fall and Wallen earned national honors, largely through the medium of his gifted hands. In addition, the ball-carrying of Bill Mason, a 9.7 sprinter, is most promising.

The line, though not impressively large, is one of the very quick ones with good physical strength and depth to stand up through the season. Leeka and Dawson have been called "the best pair of tackles" the late "Red" Sanders ever coached.

VANDERBILT

October 18—Gainesville—2:30 P.M. (EST)

Nickname: Commodores
Coach: Art Guepe (Marquette '37)
Sports Publicity: Elmore Hudgins
Colors: Gold and Black
Enrollment: 3,400
Location: Nashville, Tenn.

The 1958 Commodores are a colorful, hard-hitting crew capable of giving any team on their schedule of nationally rated opponents a rugged ball game. Coach Art Guepe, famed for his swift-striking offenses, has them operating from a Variegated-T formation which he devised last year. The system, basically a Split-T, uses a variety of spreads, flankers and men-in-motion while springing the bread-and-butter plays of several T formations, the Single-wing and the Double-wing.

The men in the middle make the Variegated-T work, and Vanderbilt is strong there. All-SEC George Deiderich and Captain Billy Grover are among the finest guards in the SEC, and perhaps in the nation, while 6-6, 220-lb. Ben Donnell and 5-11, 197-lb. Joe Bates are an unusually able tandem of centers. Just back of the center is QB Boyce Smith, who led the SEC in passing yardage and TD passes for '57, and just back of Boyce is FB Jim Butler, a 205-lb. bull-like boy who does the 100 yard dash in 9.9 regularly.

Halfback is strong on the right side where the 1957 all-Soph, all-SEC Tom Moore operates, but the left side misses Phil (The Chief) King, now with the New York Giants. Fleet 160-lb. Mack Rolfe and bruising 195-lb. Pete Thompson are trying to fill King's huge moccasins.

LOUISIANA STATE

Coach: Paul F. Dietzel (Miami, Ohio, '48)
Sports Publicity: Carl E. Higgins (L.S.U., '50)
Colors: Purple and Gold
Enrollment: 10,000
Location: Baton Rouge, La.

Louisiana State University's 1958 football team will be faster, with possibly some depth, a luxury that Coach Paul Dietzel has previously been without at L.S.U.

A talented ball-carrying corps, led by All-America Halfback Candidate Billy Cannon, is the team's strongpoint. Other top backs include J. W. "Red" Brodnax (now at fullback), who returned a kickoff 99 yards to score against the Gators last year; Johnny Robinson (RHB); Don Purvis (LHB) and Warren Rabb (QB).

A lack of experience in the line may be counterbalanced by the outstanding play of a few returning regulars, End Billy Hendrix, Guard Larry Kahlden, and the Bengals' excellent Center and Linebacker Max Fugler.

Nickname: Tigers
Coach: Ralph (Shug) Jordan (Auburn '32)
Sports Publicity: Bill Beckwith
Colors: Burnt Orange and Navy Blue
Enrollment: 8,700
Location: Auburn, Alabama

Auburn should have another good football team in 1958, comparable to the teams fielded since 1953 (39-9-2).

The Tigers of Coach Ralph Jordan copped the National Football Championship of 1957 by winning all ten games and leading the nation in total defense, and ranking first in four other defensive departments.

Six of the eleven 1957 starters are missing but the list of returnees includes pre-season All-Americans Jerry Wilson, end, and Jackie Burkett, center—and All-Sectional winners Tommy Lorino, left half, and Zeke Smith, guard.

Auburn also has two of the craftiest quarterbacks in the South in Southpaw Lloyd Nix and Reliever Bryant Harvard, two unorthodox but brilliant field generals.

November 8—Jacksonville—2:30 P.M. (EST)

Nickname: Bulldogs
Coach: Wallace Butts (Mercer '28)
Sport Publicity Director: Dan Magill, Jr.
Colors: Red and Black
Enrollment: App. 6,000
Location: Athens, Ga.

After several games marred by costly mistakes and "sophomoric" inexperience, the 1957 Georgia team finished strong, losing to Auburn 6-0, and defeating Georgia Tech 7-0.

1958 should see a deeper, more experienced, faster and better Bulldog squad. Of the eight lettermen graduating off the 1957 squad only two were first string performers.

Georgia starts the season with the SEC's top fullback in Theron Sapp. The halfback posts are well manned by George Guisler, big, fast and rugged, and Don Soberdash—backed up by Senior Lettermen Carl Manning and Gene Littleton. Quarterback should be a strong point, with Charley Britt, the SEC's leading soph QB in 1957, Tommy Lewis, and newcomer Francis Tarkenton.

The Bulldogs are looking for a "break-even" season or better.

ARKANSAS STATE

November 15—Gainesville—2:00 P.M. (EST)

Nickname: Indians
 Coach: Hugh "Bones" Taylor (Oklahoma City University, '47)
 Sports Publicity: L. W. "Tex" Plunkett
 Colors: Red and White
 Enrollment: Approximately 2,500
 Location: Jonesboro, Ark.

Arkansas State College will open its 1958 football season with a new head coach and with new player personnel. Hugh "Bones" Taylor, the "old reliable" of Washington's Redskins, begins his first season with the Indians.

Coach Taylor is faced with a complete rebuilding job. Over half of the Indian squad will be composed of newcomers to collegiate football.

With the exception of the tackle slots and the quarterback spot the remaining positions will be filled with newcomers of untried varsity caliber.

The Redskins are well equipped at the tackle position. Returning this season are two senior tackles—Earl Rankin and Billy Steed—plus Larry Zabrowski, a junior, along with two promising sophomores—Doug Burgess and Jerry Arant.

At the quarterback position, Taylor has three experienced hands. They are Billy Caldwell, first-string quarterback last year, and James Billings, his capable understudy. They are joined by John Coffey of Cabot who is fast and throws a good accurate pass.

 Sports Publicity: Pat Hogan (FSU '55)
 Colors: Garnet and Gold
 Enrollment: 7,500

Florida State, facing a schedule which is the toughest in the school's history, has a squad of 55, including 33 sophomores. At least five of these figure to be in the starting lineup. Some of the outstanding sophs are End Tony Romeo, Halfback Ron Hinson and Fullback Bud Whitehead.

Of the returnees, All-Florida Halfback Bobby Renn, All-Florida Guard Al Ulmer and Quarterback Joe Majors will carry a big load. Fullback Floyd Lawrence, a 202-pound newcomer, will add force too.

Florida State meets four Southeastern Conference teams this year—Florida, Georgia, Georgia Tech and Tennessee. Another real tough one will be the University of Miami.

The Florida game marks the first time football teams from FSU and Florida have tangled. The two schools already have established competition in other sports.

 Coach: Andy Gustafson (Pittsburgh '26)
 Sports Publicity: George Gallet and
 Wilbert Bach
 Colors: Orange, Green and White
 Enrollment: 13,500

Miami has 17 of 22 lettermen returning from the 1957 team, which won five, lost four and tied one last year. From that team eight first string men, led by Quarterback Fran Curci and Tackles Charlie Diamond and Gary Greaves return. From last year's second unit, seven men return. Curci and Diamond are U-M All-America candidates.

The Hurricanes this fall will have depth which they lacked last year. Two fine sophomore fullbacks move into the backfield picture along with Curci and Captain Joe Plevel, LH. They are Jim Stevens and Frank Bouffard. Miami expects to have a stronger team this fall.

TACKLE LARRY WESLEY, voted most valuable senior for his outstanding play during the 1956 season, returned last year to receive the Fergie Ferguson Memorial Award from Professor Phil Constans, Chairman, Board of Directors, University Athletic Association.

FERGIE FERGUSON AWARD

The Forest K. (Fergie) Ferguson Award is given in memory of one of Florida's finest athletes, one of the great all-time ends to wear the uniform of the Fighting Gators. The Award is made annually in the form of a beautiful trophy, which remains in the permanent possession of the University of Florida, and is given to the football player selected as the Gators' most valuable senior each year. The winning player is announced at the annual spring banquet, and he is then invited to return to the campus to receive the award at the following Homecoming.

First to win the award was Malcolm Hammack, outstanding fullback on the 1954 eleven. Others were Center Steve DeLaTorre of the 1955 squad, and Larry Wesley, tackle on the 1956 team.

Recipient for the 1958 presentation at the Homecoming game against Vanderbilt, Oct. 18, is to be All-Southeastern Conference Halfback Jim Rountree.

Idea for the Award was conceived by John Piombo, teammate and friend of Ferguson, and Dick Stratton, former Florida athlete and admirer of Ferguson. These two Jacksonville residents donated the original Ferguson trophy, which is displayed at all times in the Division of Intercollegiate Athletics trophy case.

About Fergie Ferguson

Fergie came to Florida in the fall of 1938 after having been a star end for the Stuart (Fla.) High School. He became a starting end for the Gators as a sophomore, and from that time wrote several records into the books. He caught 43 passes in the 1939-40-41 seasons, a career record that stands today. His record for the most yards gained on passes caught—668 for 3 seasons—still stands, and a record for the longest TD pass caught, 74 yards against Miami in 1941 remained on the books until 1954. Fergie was also a track and boxing star, and his javelin throw of 203 feet, 6½ inches, which won him a National AAU championship in 1942, is still the best throw ever made by a Florida athlete.

Fergie became a second lieutenant in the U. S. Army, and was severely wounded in the Normandy landing of 1944. He so distinguished himself that he was awarded the nation's second highest medal for gallantry in action. He died of war wounds ten years after the landing.

THE GATOR BAND

The University of Florida "Gator Band" is deemed one of the finest in America today. Its gridiron spectacles are an essential part of Gatorland football festivities, and its year-round musical activities are an important part of University community life.

Harold B. Bachman, the distinguished Director of the University of Florida Bands during the past decade, retired as Band Director at the beginning of the school year.

Reid Poole, former Assistant Director of Bands, is Acting Director of the 130-piece Gator Marching Band, the University of Florida Symphonic Band, the combined Army and Air Force ROTC Band, and the Gator Variety Band. Mr. Poole plans and produces the gridiron shows and writes many of the special musical arrangements featured by the band.

Richard Dewey of Pompano Beach and Robert Gunn of Miami are the Drum Majors who direct the band on the field. Beverly Stalnaker is Director of the Baton Twirling Corps and feature solo baton twirler. Band personnel includes 104 musicians in the marching "square" of the band, a baton twirling corps of 16, 3 flag bearers, a bass drum crew of 3, and a number of extras and supernumeraries. Delbert Sterrett is the announcer for the band.

Elected student officers of the band are Student Manager, David Zickafoose of Trenton; Assistant Manager, Ray Wilcox of St. Petersburg; Secretary, Amelia Macy of Coral Gables; and Publicity Manager, Leslie Smith of Sanford.

The Gator Band spends four 80-minute sessions each week in musical rehearsals and outdoor drills getting ready for the Saturday football shows.

The Gator Band basic uniform is two-toned blue trimmed in orange. Coats are of royal blue, trousers in a complementary French blue. The overall orange trim is highlighted by an orange satin cape and topped off by the orange plume on the cap. The drum majors are attired in dazzling white uniforms, trimmed in orange and blue. The majorettes wear royal blue leotards with appropriate trimmings, white military boots to match the white shoes of the band, and military hats topped off with ostrich plumes.

THE BASS DRUM WITH THE BIGGEST BOOM IN DIXIE

The Gator Band giant exhibition bass drum is one of the largest drums in the country. At the time it was made, a writer for the Chicago Sun-Times quoted its manufacturer as saying that it is "The World's largest bass drum that will boom properly." The drum was especially made for the "Gator Band" by the WFL Drum Company of Chicago. The drum is 6 feet in diameter and 25½ inches in width.

FLORIDA FIELD PRESS BOX

We firmly believe that if you have elected to cover the Gator games at Florida Field this year you will enjoy some of the finest press box facilities in the country.

The Florida Field Press Box was honored by the Football Writers Association of America with its Press Box Merit Award for outstanding facilities in 1955, and its personnel honored in 1957 by the Association with the Press Box Service Award for its exceptional service to sportswriters.

The diagrams on the opposite page afford a quick picture of just what's there. Four decks, starting at the bottom and going to the top (by elevator) (1) Photo Darkroom and Western Union, (2) Radio and Photographers, (3) Press and (4) Photo. Here they are in detail:

PRESS DECK: There are 48 seats on the front row and 47 on the back row. Each reporter has 34 inches of desk space and an adjustable, swivel chair that is bolted to the floor. Every seat has perfect vision—there are no uprights between any seat and the field and people walking along the front row are below the vision of folks on the back row. There are no windows on the press deck. A public address system operated exclusively for the press box gives all official information, including statistics on individual plays. There is a snack counter at one end of the press deck and ample toilet facilities at the other.

RADIO DECK: There are five ample-sized, acoustically tiled radio booths with glass windows that may be opened or closed, depending upon the desire of each announcer. The front row of each radio booth will seat four people very comfortably and five in a slight pinch. The back row seats three and is adapted for engineering equipment. Each radio booth may receive the press box PA announcements via headphones. There are two other booths, one for visiting coaches and one for the stadium public address system. Flanking the radio booths are large open-front decks for use by still, movie or television photographers. There are toilet facilities on the radio deck.

PHOTOGRAPHY DECK: This is a large open-front area at the very top of the press box. It has ample table space both in front of the cameraman and behind him. This deck also includes the Florida coaches booth and the stadium manager's booth.

WESTERN UNION and PHOTO DARKROOM DECK: This is the first floor of the press box and the first elevator stop coming up from ground level. The entire Western Union operation is carried out in a large room that provides every needed facility for transmitting copy. Messages are sent by pneumatic chute from the press deck to the Western Union room. This, of course, eliminates the necessity of having bulky and noisy page printers in the actual working press section. (When you have a message ready for sending, you merely hold it over your head, yell "Copy Boy" and one swoops down on it.)

This deck also includes newly added photographic darkrooms for photographers who wish to process film at the stadium and telephoto room from which they may send pictures to the papers. While the places to do this work are a part of the press box, we are unable to furnish such equipment as enlargers, wire-photo sending sets, etc. Portable units must be brought by the cameramen.

We feel certain that you will thoroughly enjoy any assignment you have in Florida Field Press Box and sincerely hope that you will take every possible occasion to visit us when the Gators are playing at home—and when you just want to drop in for a chinfest.

FLORIDA HOMECOMING

All year long the people of Florida talk about Homecoming at the University of Florida. Homecoming means two days of continuous activity, highlighted by the double-feature attractions—Friday night's Gator Growl and the Saturday afternoon football game. Both draw capacity crowds of 41,000.

The game this year is with a fellow member of the Southeastern Conference, Vanderbilt, on Oct. 18.

Among other outstanding events are a parade of giant proportions, banquets, swim shows, alumni reunions, fraternity and sorority doings, and a Legislative Barbecue.

Back in 1906 the students decided to stage a "Dad's Day." Homecoming was the natural outgrowth of "Dad's Day" and in late years it has

become almost traditional for each one to surpass the last one.

Gator Growl, an all-student variety extravaganza that draws a packed house to Florida Field Stadium on the eve of the football game, came into the picture back in 1924. About 7,000 Dads and Grads gathered in the old gymnasium the night before the game to drum up the necessary enthusiasm to help the Gators defeat Drake University the next day, 10 to 0.

From that spontaneous gathering in 1924 has grown what is very likely the largest, most colorful and noisiest pep rally on the college sports scene today. A student committee of Florida Blue Key works a year ahead to set the theme. Fraternities and sororities plan their parts months in advance and spend months preparing interior and exterior house decorations, parade floats and skits for Gator Growl. No admission is charged for Gator Growl or other sidelights.

Almost everyone who comes to a Florida Homecoming finds himself torn between more desires than a kid at Coney Island. There is something going on every minute and all too often, for the visitors, colorful events overlap to make the choices more than a little difficult.

Sports editors and writers assigned to cover the Florida-Vanderbilt football game on October 18 will be primarily interested in the football game, but those who want to be in on the unforgettable side-show attraction will be one of that huge, happy, fun-loving crowd of folks at Florida Field Stadium Friday night for Gator Growl, a brilliant evening's entertainment in anybody's book.

"GATORS"

(From THE FLORIDA TIMES-UNION (Jacksonville), Thursday, August 19, 1948.)

"MILLER RECALLS CHRISTENING OF UF TEAMS AS 'ALLIGATORS'"

"A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

"Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University at Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.'

"The Michie manager complicated the 'christening' when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled, was in his father's Gainesville store in 1908. The Michie firm had supplied 'Miller's' with blue banners measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head.

"With the first display of the new banners and pennants in Gainesville, the name 'Alligators' to describe the football team 'caught on' Miller recalled and, now contracted to 'Gator.'

Both in Gainesville and in Jacksonville, properly assigned photographers may work from either the sideline or from the press box, or both. However, photographers working at either of these two places must be covering the game on assignment, for crowded conditions, which always exist, prevent our allowing free lance photography.

Because of the increased demands of the daily press, our Gainesville facilities have been expanded and we now have individual dark rooms available.

PLEASE NOTE

ON THE DAY OF THE GAME

When you arrive in Gainesville on the day of the game, you are invited to drop by the Sports Publicity Office, located in the southwest section of the new Florida Field Stadium Addition. We have typewriters, telephones, paper and other facilities. In using your press box ticket (for all decks, including movie) you will enter the elevator entrance, near the main gate on the west side of the stadium. Enter the glass doors, show the attendant your press pass, and the elevator operator will escort you to the proper press deck. **YOU ARE URGED TO WEAR YOUR PRESS BOX TICKET AT ALL TIMES.**

ABOUT RADIO BROADCASTS

Out of state stations must notify the Athletic Association of the visiting team (Tulane, Miss. State, Vanderbilt, Auburn, Georgia, Arkansas State, Florida State and Miami) of their intent to broadcast and having done so must then advise Jimmy Gay, Sports Publicity Department, University of Florida, Gainesville, of their intent to broadcast in order that he may assign you to a radio booth and issue you your tickets. Stations should accompany their request for broadcast space with an official letter designating them as the official broadcast representative of the visiting team.

For stations originating broadcasts at the Stadium, the Florida Sports Publicity Department will provide: (1) The broadcasting booth (or space, when booths are filled); (2) Three official game programs; (3) Official game statistics within a few minutes of the end of the half and again within a few minutes of the end of the game.

Arrangements for the broadcasting telephone line to the stadium must be arranged by the station with the telephone company or A. T. & T. A Florida spotter, provided you request one early enough for us to make such arrangements, will be provided with the understanding that the station will pay the spotter \$10.00.

A rousing cheer is given the University of Florida's newly acquired official mascot, Albert. The scene is at Ross Allen's Reptile Institute at Silver Springs prior to Albert's journey to his new home in Gainesville.

ALBERT COMES HOME

Toward the end of the 1957 football season there was a giant pep rally, called by some the biggest in history of the University of Florida. The occasion: A welcome to a new mascot, Albert the Alligator. Albert now resides in his private home near the Century Tower in the heart of the campus. He has a 22-foot pool enclosure. Vital statistics place Albert's age at 35 years, he is ten feet long, weighs 400 pounds, but consumes a mere ten pounds of meat per week. His value is placed at more than \$500.00 by Herpetologist Ross Allen of Silver Springs.
